REPORT OF SUPERINTENDENT

Spartanburg School District Seven celebrated another year of tremendous accomplishments. This success is a direct result of the caliber of our students, the support of our parents, and the dedication and commitment of our board, faculty, staff and administration.

The 2011-12 school year marked a year of new beginnings. The District 7 Early Learning Center at Park Hills opened its doors to 320 children ages birth to 4K; Spartanburg High School welcomed nearly 500 freshmen onto its campus with the opening of the SHS Freshman Academy; Carver and McCracken Middle Schools received their first 6th grade group of students as a part of the district's new middle school focus; E.P. Todd School completed its transition as the district's first K-8 school; and Cleveland Elementary School joined forces with Spartanburg's Northside to become one of eight "Purpose Built Communities" nationwide. We were very pleased with the great success of these transitions, and all students, parents, faculty and staff are to be commended.

During the year, the district continued to strive for unmatched excellence in academics, athletics, activities, and the arts. In academics, seven schools earned a Palmetto Gold or Silver award for outstanding academic achievement, the highest number to date. Spartanburg High School had three students named National Merit Finalists, one National Achievement Finalist, 102 AP Scholars, and two U.S. Presidential Scholar Semi-Finalists. The school earned a place in the Washington Post's "Top Schools" in the country; and the Class of 2012 amassed \$15.6 million dollars in merit-based scholarships. In athletics, SHS earned the Herald Journal/GoUpstate Prep General Excellence Award for team and individual accomplishments including state and region titles. In activities and the arts, students gained local, state, and national recognition for participation and excellence in performance. We remain committed to the finest possible education in all areas, and district students are the reason for that commitment.

We invite you to celebrate our successes by downloading our "Just the Facts" publication or by viewing a video of our "2012 State of the District" address on our website (spartanburg7.org), Facebook page (Spartanburg School District 7), and YouTube channel (Spartanburg School District 7). The address and publication will provide you with a more in-depth snapshot of our strategic plan along with some of our tremendous accomplishments, challenges, and priorities for the future.

The Spartanburg 7 community is a wonderful place to live, and the support given to our schools is unsurpassed. Thank you for all you do for the young people of our community and for your active support as we continue to promote positive changes that will further drive our district to future success.
